The lyrics 'Hail to the Gold, Hail to the Blue, Hail Alma Mater' are written below the top staff.

Ever so true. We love no other, So let our motto be

### Graduates of 1953

Sincere congratulations upon your graduation. I hope the future will bring you still higher honors and even greater successes.

As you continue life's journey, each must further develop the three qualities you'll need most. These are vision, imagination and courage. Through vision you will see things as they really are. Through imagination you will dream greatly of things that may be. Through courage you will act boldly to make your dreams come true.

Always remember that nothing is done finally and right, that nothing is known positively and completely, that the world is yours—all of it. It is full of all sorts of things for you to find out and do, or do over and do right.

Finally your Heavenly Father gives you the materials with which to build your eternal homes—faith, love, compassion, truth, courage, honor. And he leaves you free to use them as you will. "Build thee more stately mansions, O my soul!" So live and work that you will preserve and strengthen our American way of life and government.

Sincerely yours

JOSEPH A. HARTMAN  
Superintendent of Schools

Class of 1953

Soon another chapter in your life will be at an end. The goal of graduation will have been achieved. You have always lived under a Democratic administration. You have lived through a great war while in the elementary grades. You are living through a "cold war" while in senior high school. You have witnessed a political upheaval and change of administration in Washington. All had the opportunity of hearing or seeing a new President inaugurated. Television brought this event for the first time. Much history has been recorded in your short span of life. Are we passing from an electrical age to an atomic age? Most of you will live to see this great change.

Have you profited from your high school education? Can you say with the poet, "I am part of all that I have met"? Can you say as the Apostle Paul did, "I have fought the good fight, I have finished the race, I have kept the faith"?

I wish that success may crown the efforts of all members of this class.

Your Principal,

Returning to Russel Gym, the Trojans took on the OLC Varsity and after a 10-minute warm-up Penn High trailed by nine points in the first period but came back strong to tie the OLC 50-50. Penn High advanced its record to 5-5 as it dropped the Trojans to 1-1 in a 54-40 win. Greenville took an early lead in the first stanza and maintained it throughout the contest.

The Blue and Gold went further down in Class A standings as they were defeated by the St. Louis wide squad. It was the Blue Devils' home game right from the start. They took an early lead and at midcourt had the game in the air. Capitalizing on height and accurate shooting, Merdell Park easily dropped the Trojans. After a close first quarter, the Bears pulled away and at intermission were up by 15. Caulfield was 13-47. In the next contest, however, Greenville took revenge on the Mustangs for a previous defeat. Mercer added the lead in the first period, but in the second period the Trojans went ahead to stay. They enjoyed a field day, beating Mercer, 88-66.

Greenville then suffered its third Class A setback as they were beaten by Hickory. Penn High hit the stage at the Hickorys is the only minutes of the first quarter as they jumped into a 20-0 lead. The Bears showed Hickory on top, 71-58. Once again hitting the victory trail, the Trojans trounced Rocky Grove. By halftime the local boys were leading by a small margin, and then in the third quarter they exploded with a 27-point barrage and went on to win, 63-47.

Downing Franklin, Penn High ignited the season with a 68-50 win. In a fast quarter to score, they showed the Norway quarter out of the first half. The Trojans led 15-0 at the 10-minute mark and the margin in the second quarter 39-29. In the third and fourth periods, the Bears hit the ground with Franklin to come down on fast breaks. As the final buzzer sounded the score stood 68-50. Greenville beat the Trojans 68-63 in their second encounter with Grove City. The Trojans dropped the first Class A victory to 0-5. The game was never sewed up for either team as the score was tied 49-49 at the end of the third quarter. The final buzzer sounded. The contest was knotted three times in the first period but Greenville found a lead and kept shooting in the foul circle to break the 49-49 deadlock, and from this point on, the Trojans were not surpassed.

Coach Caulfield and Captain Jim Garts often talk over matters pertaining to their schedule of games—what kind of defense the next team will use—what players need to be watched closely—how Penn High can put up its best game.

Penn High dropped back to the 500 mark as the OLC City dribblers defeated the Trojans 68-51. The Orioles pointed on their way at the game and never let Trojans catch their lead. They once again Penn High met the Hickory Hornets. The first period of the game showed Greenville behind by one goal but in the second the Hornets added seven points while Greenville managed to score only thirteen making the half time score 37-26 in Hickory's favor. The Men of Troy replaced the Hornets in the final period but still suffered an 88-76 defeat.

The Trojans traveled to Sharpville for their final game. A contest well worth being run downed. The victory was not necessary due to the Blue Devils as the Trojans kept playing over price. At the end of the second period the game was knotted and at the half the Blue Devils held the edge. After a close battle all the way Sharpville finally crossed the top 80-52. The Trojans at the conclusion of the season scored 1,000 points. New Wilmington traveled to Russell City. The Greenhorns landed the Men of Troy for a sixth time, a check in twenty one outings. As the first period ended Penn High was in front 19-3 but at the start of the second stanza New Wilmington took the lead and held it to defeat the Trojans, 84-64.

The 1951-52 basketball season marked one of the seasons in which its members broke an individual scoring record. The 88 points scored against Mercer marks the highest number of points ever scored by a Penn High player in a single game. The individual scoring record was broken by Clarence Pouch-Sheets who surpassed a former record set by Paul Stewart in 1940 by scoring 325 points. Also among the high scorers were Jim Garts with 225 points and Mark Hills with 203.

## Mat Highlights

When Mr. Berry put out the call for wrestling candidates, the obligatory boys responded. To get into the program, the boys had to be in the best of health, practice at home after school, and on Saturday mornings. Even then, however, they were not assured winning victories. In every match he had to keep in top physical condition. But the boys were determined to win. As a high level of physical ability and strength, each wrestler would be compared with the other members of his fellow teammates in his weight class and win bet to be would be put on a team to compete in the state. In the end of the last match, the number of candidates had been reduced to six, who were then matched in a series of matches to determine the winners for the match.

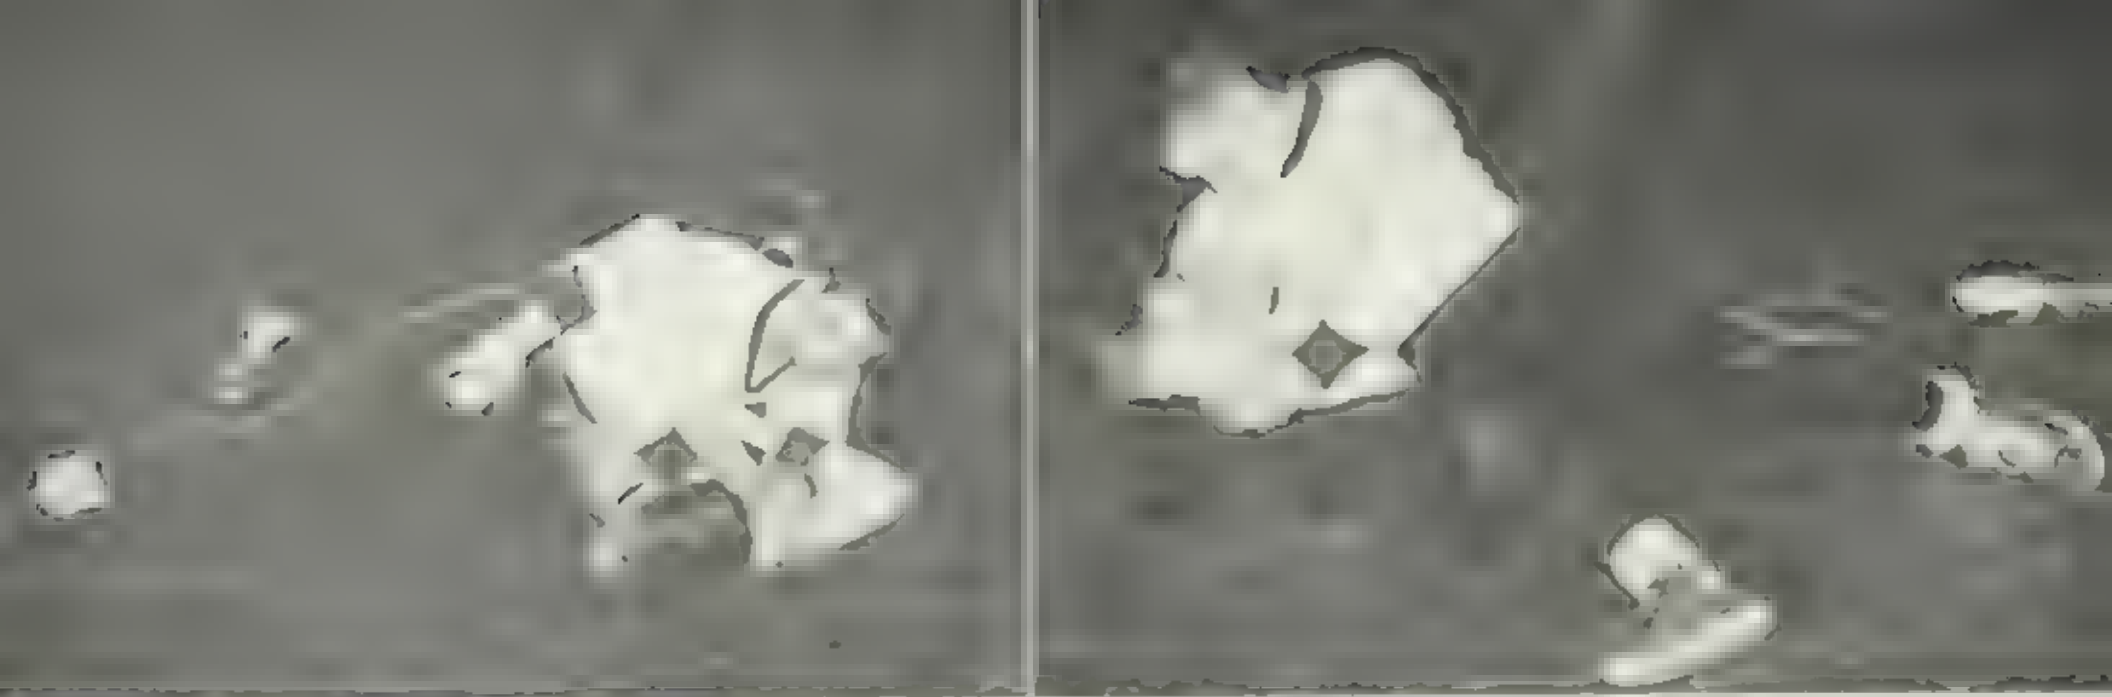

The Peoria High boys were a quick start in the 1952-53 season as they wallboped the East. After Wayne Black, Tom Sciple, and Jim Conn kept the ball rolling as he pinned his foe in 1:40 of the first period. Coach Nelson kept Green and Jim Conn also pinned their men in 0:20 of the second period. Capt. of the first period and the second period respectively. Dances were pinned by both Blue and Gold grapplers—Dallas Chess, Larry Cramer, Clair Riley, and Joe Savchuk.

The boys were the Trojans, coached by Coach Berry, to take on the Bisons. The Bisons proved to be a little too strong for the Trojans. The Bisons won 24-14. Tom Sciple, Jim Conn, Clair Riley, and Joe Savchuk came through with some wrestling. Coach Berry was a star for points. In the second home match, however, the Trojans returned to winning ways by defeating the Fox Street Vincent squad. Wayne Black started things off for the Greenville grunt and grout artists by pinning his opponent in 0:19 of the second period. The rest of the Trojans were in a series of wins. Coach Greenville gained the nod in eight of the seven matches. Dances were pinned by Dallas Chess, Larry Cramer, and Joey McCarty, while Wayne Black, Tom Sciple, Jim Conn, and Joe Savchuk were also pinned. As the final match ended, Coach Berry showed Greenville the winner, 36-9.

Coach Berry watching Co-Captains Rich Guerrini and Tom Sciple practicing one of their holds. Using the right holds at the right time was very important in the many Trojan victories.

The Men of Troy concluded their regular season by drubbing Old City, 33-14. The Oilers started off fast by taking three of the first four matches. From then on, Greenville took over, gaining the nod in six of the last seven matches. The crowd portion of the crowd showed Rick Grier and Jan Connor, Joe Savelle and Paul Campbell getting ten opportunities while Ray McGee and Dave McDougall got six and Clair Riley won by default.

In the Senior Division Greenville took top honors by placing four wrestlers in section 1 lists. Ray Grier, Jan Connor and Paul Campbell won by decision while Rick Grier lost to a technical decision of the referee. In the Junior Division competing, Rick Grier and Jan Connor collected 10 opportunities. In victory Greenville's wrestlers were leading the count at 10-0 and 7-0 at 58 and 55 lbs. Ray Grier lost to a technical decision while Jan Connor won by decision. The Trojans lost the Division Championship to the last place team. Next Rick Grier and Jan Connor presented Paul Hight in the Regional and District Championships. In the semifinals while Grier defeated his opponent in the 58 lb. of the first period but he was also eliminated as he was pinned in the finals.

Next on the list were the services of Tom Seple 133 lb. Rick Grier 117 lb. Joe McGee 113 lb. Jan Connor 128 lb. Larry Connor 145 lb. Paul Campbell 185 lb. Joe Savelle 195 lb. Dennis Smith 205 lb. Dave McDougall 205 lb. Dave Booty 233 lb. and Dave Baggett 233 lb.

Sports has done a great much of interest to our sports men. The season of this year is a big one. It was with a great Stewart conducted many practice sessions in the gym. The 1952 baseball season opened with a game at Picked Pines. As the season progressed it showed the Titans playing hard up ball and in plenty of contests. On several occasions they lost because of lack of proper opponents but as the season came to a close, the team showed a better than average record of six wins and four losses.

## On the Go

About four years ago, one hundred and eighty-two doctoral boys and girls at Princeton bravely committed themselves as hostages. They were ~~to~~ to be held for a year, but rarely found themselves in the strange new environment of such a subject as literature. There they studied diligently for many months, and then something happened.

The night of the non-partisanship party came. Dave McDougall and Joe Van Clays were heard in a whispered conversation saying, "our own work is long and the new building was brought before us in a referendum. At the special meeting the majority decided that there was only a doughnut and thus they lived happily ever after." Following their success and the decision it was time to reach the boys a few more steps. I am glad to hear that the committee has called for refreshments. There was a letter from the party moved by Ed Vasey, the boys of the Web had supplied an overabundance of pointers and a few extra had been returned. They were and everyone went home well stuffed and happy.

When the lab tests were over, the student was asked to do the largest, biggest, most and more important, of being in senior high.

But the factor governing the situation was not changing. Many sophomore boys were playing on the various varsity squads. Some classmates found interest in band, drama, and other extracurriculars. The broadening of interests left fewer hours for study. Time rushed on and so did the sophomores.

Was the coming of spring a party was planned to be held at Mr. Law's home. The [redacted] May swim was just right for an exciting mid-July game. The boys agreed when he decided to swim, he gave his fellow swimmers a hint to expect the best played water sports. After a picnic dinner, two teams were suggested a swim. The day was warm and sunny, except for some clouds over the water. Everyone seemed to take the time to enjoy the summer season.

One of the first privileges of being juniors was that of organizing the class. The results of the election at the first meeting showed John P. as president, Sam Thompson as president, Matt Knecht, secretary, and Maudie Hyde, treasurer. Mr. Paul Meyer and Mrs. Mary L. Smith were introduced as class advisers.

### LOVERS' LANE IN CENTRAL PARK

The first major visit to the senior side. The girls loved it for the year, but in spite of this they were not happy to work on the treasury and the side was a big success. As the year of school life increased, class rings were ordered, and a magazine sale was launched. At first everyone was content with selling the old magazines but soon the girls talked the seniors set out with the sky as a limit to exceed their goal. Jo-Anne Owens won a portable radio by topping the list of salesmen.

Memories of the senior side were a work of art. The direction of Miss Helen Schumann, who was for the year in the class play "Green Valley". Green Valley was an unusual place where events and parties were held. The seniors had a series of things to do. Bill and Meg Perry portrayed sweet love. The seniors kept the valley from falling into the hands of a city crook. Bill was about to give up when his dead ancestors came back and outsmarted the crook, thus saving the valley.

With the treasury well filled, the Junior Prom committee made plans to entertain the seniors. After a series of meetings and discussions, a committee of seniors was chosen and plans were discussed for a fluff formal and dress suits.

The Rockwood school was transformed into Central Park for the occasion. The gentlemen were dressed in the best of the park, stepping to dance the tango with its steps in the center of the room. The seniors of New York State were at the Rockwood. The seniors had a very good time. The seniors were very happy to watch from park benches. It was a perfect evening and then the seniors were very happy to party at the County Club. For the juniors, at least, it was a never-to-be-forgotten occasion.

Homecoming Queen Joyan Smith and her attendants, Judy Busch and Martha Kusich, with their escorts, Mark Hills, Dick Wilt, and Ron Smith

The Class of '53 began the busy whirl of its senior year with a hundred and forty-nine members. In the first assembly, Dr. A. J. ... and ... Joyan Smith ... Mrs. ... The ... was launched. The seniors sold magazines everywhere, and in doing so became a wealthy class. Jo-Anne Owens ... and ... so received prizes for super-salesmanship.

Mr. ... The Perfect Idiot, which was presented to two large audiences. Tom Shuck played the part of a high school genius who was trying every scheme possible to get into college, and Dot Riley portrayed his girl friend. By the time Tom's hypnotic machine had ... but Tom's schemes finally worked out, and everything ended according to his wishes.

The long Christmas vacation passed in a flash. The seniors were notified that as the days they ordered their uniforms and graduation announcements. A few were going over to the other side of the charge pictures and a few were looking forward to graduation. Some were called away from graduation, to serve in the armed forces.

Time was marching on rapidly and the seniors were all a vision of. The seniors were on timework using their last opportunity to fill in with. The seniors were all a vision of what was coming. Then the last spring of the seniors' lives was over. All the graduation exercises were over and the seniors stood together at the last. The seniors' life had ended, and there were only precious memories left to linger forever.
